Leading Today. Inspiring Tomorrow.

MarketLine Advantage is a multi-disciplinary online database that faculty and students use for a wide variety of content like industry and company reports or case studies.

The platform is unlocked and available for faculty and students to use at the Campus.

How to access:

A. When on campus (using eduroam wifi)

1) go directly to https://advantage.marketline.com/HomePage

2) click on if you have IP access " Click here"

3) and you will be automatically logged in through Catolica Lisbon

In this case, you do need to introduce your credentials as they have been used for login through eduroam.

B. When off-campus

1) you first need to set-up a proxy using one of these links according to the browser used:

- Microsoft Internet Explorer
- Mozilla Firefox
- Google Chrome on Windows
- Safari on MacOS
- Google Chrome on MacOS

Details are also available at http://www2.lisboa.ucp.pt/vpn/bon.php
The first time you enter a web address, you will be prompted for your login information. You must use the same login information you use to access the rest of the UCP's information systems: **student ID and password**

2) After the set-up, your browser will be virtually on campus, so you can access the database exactly as if you were on campus. Please see **A. When on campus** instructions
