Learn in Action

Important note:

Since August 2019 the Learn in Action Program was converted to a point system using the careerNETwork platform. For questions regarding the Learn in Action, contact learninaction.clsbe@ucp.pt or go to the Careers & Talent Office during office hours.

The Learn in Action Program is a Soft-skill development program included in the compulsory study plan, exclusively designed for our undergraduate students.

Develop “know-how” skills that are a crucial complement to academic knowledge and prepare you for the entry in a global job market and an outstanding career. Topics like international careers and multinational corporate environments will be addressed by experienced and specialized speakers.

It also includes modules on Spoken and Written Communication and Career Development, as well as the chance to engage in extra-curricular activities that develop key competences for a successful professional future: Internships, Volunteering and Entrepreneurship Projects.
